

Blue Ash Elementary

A Hall of Fame School

September 26, 2006

To Whom It May Concern:

The clown and pantomime troupe Shkidy just finished their performance at our school. Our children were treated to a variety of acts demonstrating the power of physical comedy to communicate a story. They particularly enjoyed and could identify with the children who participated in the acts.

It was certainly a pleasure to host this imaginative and inventive group of performers.

Sincerely,

Mrs. Marianne Sweetwood
Principal
Blue Ash Elementary School
