Dear Shkidy Clown Theater,

Please accept our sincerest thanks for the beautiful performance you shared with us today. About half of our students come from financially disadvantaged homes where they would never have the opportunity to experience theater. Your performers gave us the opportunity to share a very real and beautiful experience with them that I am sure they will never forget.

Again, please accept our sincerest thanks.

Respectfully,

A handwritten signature in dark ink, appearing to read "Dianne C. Suiter". The signature is fluid and cursive.
