Dear Shkidy Ensemble:

It was a pleasure to present you at the Clark Center for the Performing Arts!

We appreciated your artistic skill and the wonderful mixture of humor and pathos.

The audience was enthralled by "Starry Story". The young people in the audience enjoyed the comedic moments; the adults laughed but also contemplated the deeper aspects of the show.

Again, it was a pleasure to meet and present such talented and gracious Russian artists.

Sincerely,  
Blythe Rainey-Cuyler  
Executive Director
