To Whom It May Concern:

Today 720 students at Northwestern Elementary in Springfield, Ohio had the opportunity to attend a performance of the "Shkidy" clown and mime ensemble from St. Petersburg, Russia here at our school. The children ranged in age from 5-years-old to twelve-years-old. They were absolutely captivated by the performances and there was much talk about the performances at the lunch tables!

This was a wonderful opportunity for my students and for many it will be a once-in-a-lifetime experience. It certainly demonstrates that words are not always necessary for rich communication to take place.

Thank you again for the opportunity to bring the "Shkidy" clown and mime ensemble to the students at Northwestern Elementary

Sincerely,

Cynthia Pierson, Principal
