October 17, 2006

To Whom It May Concern,

Simon Kenton held performance by SHKIDY THEATRE, Art Director Tatiana Zbyshevskaya, on October 13, 2006. The extraordinary performances captured the full attention of our busy students and gave them a taste of cultures as they have never experienced before.

As Principal of Simon Kenton School I would highly recommend these performances to any audience of all ages.

Sincerely,

A handwritten signature in blue ink that reads "Nicole Leach". The signature is written in a cursive, flowing style.

Nicole Leach  
Principal
